

NORTHOP HALL OLD BOYS FC

FOOTBALL APPEAL

This is Blue Star FC, a junior football team in one of the poorest areas of the Gambia in West Africa, one of several projects in the region being supported and aided by Sue Smith from Halkyn (pictured with them below).

They rely on donated items which Sue has slowly been putting together and shipping over there in recent years (including those that they are pictured in above). She has recently taken delivery of a number of old items of football kit which includes a full set of shirts and shorts as well as assorted tracksuits and jackets. These will be shipped out shortly. However they are desperately short of football socks and boots (in a variety of junior to larger sizes) something I'm sure many of us might find lying around at home waiting to find a new home! Any additions to the shirts, shorts, tracksuits, sweatshirts, shin pads etc. will also be most welcome.

Also, Sue is asking for other items for projects there and to help raise money for some goal nets for the football team as well as the shipping costs of all the items. The following items would be gratefully received:-

- Cotton bedsheets, duvet covers, pillow cases, towels, table cloths, tea cloths etc.
- Old mobile phones (must have chargers with them)
- Lightweight fishing rods (for beach and boat fishing)
- Cash donations (either for the above or you can sponsor a child for £100 per year to be able to go to school)

In the first instance, please pass any items to Dave Henrys at **34 Caesar Avenue, Oakenholt, Flint** or call **07946 568892** for more details.

Thanks for your support!
